President's Message

Think back thirty years ago and try to remember what you were doing at the time. Ed and Polly Baines, with the McRees and Nohrrs, envisioned a snow ski club for Brevard County. Perhaps the sweltering temperatures of July made them long for the snow-covered slopes of the Rockies! Through their hard work, the Space Coast Ski Club was formed and has grown tremendously over the past 30 years. The club still serves the purpose of bringing people together through the adventure of travel. Many non-skiers enjoy the Mediterranean cruises, spa weekends, European sightseeing trips, and big city experiences the club offers along with our winter sports enthusiasts.

Our annual Extravaganza is September 15th at the Crown Plaza Oceanfront Melbourne Beach. The kick-off party is a great chance to meet with friends and learn about the exciting destinations the club is planning for 2013. Included are ski trips to Heavenly at Lake Tahoe, CA; Big Sky, Montana; Jackson Hole, Wyoming; Schweitzer Mountain, Idaho; and St. Anton, Austria. There will also be an action-packed tour to South Africa in May 2013 and a dazzling trip to New York City in July. Our trip leaders have been busy hammering out the final details to present to you. Come out and enjoy food, beverages and dancing while you make plans to ski and travel the world with us! We will be giving away gift certificates towards the trip of your choice and you don't want to miss it!

Stay cool and I'll see you there!

Jeannie Kilpatrick-Staubus

BUCKET LIST: Iceland ? Check Ireland? Check

Twenty three people are now going to check Iceland and Ireland off of their bucket list. Leaving on September 2nd and arriving in Reykjavik on the 3rd, the group will enjoy the culture and life of Iceland. There will be a Northern Lights Tour & a chance to soak in the Blue Lagoon. Reykjavik is the world's most northern capital and is considered a clean, green little city.

Iceland has captivating landscape, hidden energy and a desire to shape the world. It has the world's highest concentration of dreamers, authors, poets, and musicians. What fun it will be!

Then we're off to Ireland. Has anyone gone to Ireland and not loved it? We are in for a real treat. We start our adventure everyday with a full Irish breakfast and then take off for the beautiful countryside. We will tour the Guinness storehouse, the Waterford factory, Dublin, and, of course, kiss the Blarney Stone so that we get the gift of eloquence and a lasting way with words. I fear we will come home with more of the gift of gab!

Two exciting places that we will now have crossed off our bucket list!

MAMMOTH TO CLOSE JUNE MOUNTAIN

Mammoth Mountain Ski Area announced yesterday the company will not operate June Mountain this summer and for the upcoming 2012-13 winter season. "June has operated at an annual deficit each year since its purchase in 1986," said CEO, Rusty Gregory. Mammoth purchased June Mountain in 1986 with the idea of significantly increasing the size of the resort but, for a number of reasons, these plans were never realized.

NEW SKI AREA PARTIALLY COMPLETED IN BC, CANADA

A new 640 acre ski area, Kelowna Mountain is partially complete near Big White and Silver Star and above the town of Kelowna, B.C. The area will have a triple chairlift serving 14 runs plus a half pipe and rail park.

Heavenly/Lake Tahoe

FSC Trip - January 26th – February 3rd, 2013

They say that “Heaven can wait”but not at Lake Tahoe! Nowhere in the world can you experience such breathtaking views as you can skiing Heavenly at Lake Tahoe. You’ll swear you’re in heaven when you first gaze down at the magnificent lake with spectacular views of the mountains and forests surrounding. And where else can you ski all day, see big name entertainment at night and gamble into the wee hours?

The ski resort of Heavenly towers not only over the lake but also over any other ski destination. **The resort has invested more than \$55 million in on-mountain improvements in the last 3 seasons.** Meteor, Jackpot & Canyon, Sky Chute, and Otto’s Chute were widened; A new four-lane tubing hill; Additions & improvements to snowmaking; The entrances to Nova, Big Dipper, and Milky Way Bowl are enhanced; Three new trails on the Nevada side of the mountain.

Mountain highlights include 4,800 acres spanning two states (the most on the West Coast), 3,500 foot vertical, over 30 feet of snow per year and 92 runs with 30 lifts. Additionally, there are terrain parks and half-pipes for boarders, on-mountain eateries and legendary tree skiing and wide open bowls that will knock your socks off.

Our accommodations are at the world famous Harvey’s Resort and Casino where each of their 740 rooms has unobstructed floor-to-ceiling views of the lake and the majestic Sierra Nevada. The Florida Ski Council will conveniently host its parties at Harvey’s and all guests will have access to 24-hour gambling, eight restaurants, nightly entertainment, shows and nightclubs. And Harvey’s is connected by underground tunnel to its sister resort, Harrah’s, which will double your nightly entertainment pleasure! Harvey’s is just a short walk to the gondola or you can take the shuttle to the California base. Either way, access to Heavenly is a breeze.

So make your reservations now so that you won’t be left out. This will truly be a spectacular “Stairway to Heaven!”

St. Anton, Austria
(Munich)

FSC Trip March 14 – 23, 2013

The St. Anton/Alberg region is the cradle of skiing. This is the place Hannes Scheider founded the Arlberg Ski School which revolutionized downhill skiing techniques. In Zurs, the first drag lift in Austria was built.

The Galzigbahn in Austria was built in St. Anton and is the first cable car designed for winter use. The Alberg region is one of nature's crown jewels and each of the five villages, **Lech, Zurs, St Anton, St. Christoph** and **Stuben**, have their own unique character and charm. Together they form a single ski region.

The area also boasts the world's most high tech aerial cable cars, with **84 state of the art lifts and cable cars**. The first day and night after departing the US, we will spend in Munich, the capital city of the State of Bavaria, and Germany's 3rd largest city.

Munich is a beer lover's paradise with Hofbrauhaus brewery tours, world-class museums, and Frauenkiche (church of our Lady). The church's twin towers have become a city symbol, along with Marienplatz (St. Mary's Square) and new town hall (the center of the old town of Munich).

The next seven nights we will spend in St. Anton at the 4-Star Sporthotel, located in the middle of the city's pedestrian zone and only five minutes from cable cars. Complimentary ski lockers are located at Valley Station, a daily breakfast, and nightly dinner are all included. So be part of skiing history and make your plans now to join us on this trip.

Your Jackson Hole Vacation – February 2-9, 2013

This is cowboy country, the best of the Old West, casual and relaxed, yet at the same time, as challenging on skis as you wish to make it. Nowhere else in America will you find such tremendous top-to-bottom vertical, more natural terrain features, fewer “cut” trails, backcountry access and extreme skiing with chutes, cliffs and steps all inbounds. There’s also plenty of intermediate and beginner terrain. Think big when you think of Jackson Hole skiing: 2,500 acres of great skiing, including the 4,139 foot continuous vertical drop of Rendezvous Mountain, a must for experts. Après Vous Mountain offers spacious cruising and Casper Bowl lures intermediates with just the right degree of challenge. Beginners have plenty of choices also in this vast mountainscape.

The town of Jackson offers an eclectic mix of Wild West (check out the famous Cowboy Bar where saddles are used in lieu of barstools) and many modern amenities. And because a Jackson Hole ski vacation is set in the heart of the Grand Tetons, there are spectacular “extras” like Yellowstone National Park and Old Faithful as well as the National Elk Refuge nearby. Off-slope activities are numerous and interesting and include choices such as snow biking, dogsleds and sleigh rides, snowmobiles and cross country excursions to the neighboring national parks. Chuck wagon cookouts and raucous cowboy bars add to the unique ambiance of Jackson Hole. But there are also fine restaurants to insure a variety-packed vacation. A big bonus is with the local airport less than 30 minutes away, Jackson is a super-accessible destination.

Group accommodations are 2 bedroom condominiums at the luxury AAA Four-Diamond Snake River Lodge & Spa located in Teton Village less than 100 yards from Jackson Hole ski lifts. The lobby, styled in rich western décor, offers a warm and

inviting atmosphere with hand crafted leather furniture, large stone fireplaces and whimsical carved bears throughout. Feast on tantalizing western cuisine at the award-winning Gamefish Restaurant or relax and revitalize at the 17,000-square-foot Avanyu Spa. All condominium units include fully outfitted kitchen with stainless steel appliances, dining area, daily coffee and tea supply, mountain inspired furnishings, spacious living room with fireplace, flat panel televisions, CD player and high speed wireless internet access, luxurious bathrooms with granite countertops, jetted tubs and robes (the master bathroom includes a separate soaking tub plus glass walled shower), washer and dryers, hairdryers, iron and board. Additional lodge amenities include outdoor pool, hot tub and waterfall, 24-hour guest room dining, a cozy Fireside Bar, Concierge & 24-hour guest service, Ski in property with heated walkway to lifts, Gift shop, sports equipment storage and valet, Fitness Center with sauna, and 25 feet from the village transportation center.

Jackson Hole statistics:

- 450 inches of annual snowfall
- 2500 acre ski area with 4139 foot continuous vertical
- Top Elevation 10450 feet; Base Elevation 6311 feet
- 5% expert, 45% advanced, 40% intermediate, 10% beginner

Price: \$1,609 per person/double occupancy per bedroom

Price Includes:

- Round trip airfare from Orlando to Jackson on Delta Airlines
- Ground transportation to/from the Snake River Lodge with grocery stop
- Luggage Handling at the resort
- 7-nights luxury lodging at Snake River Lodge and Spa
- Welcome reception hosted by the Snake River Lodge
- Mid-week group dinner
- Mid-week group happy hour

Adult Group Rate Lift Tickets:

- 5 day lift ticket is \$340
- 6 day lift ticket is \$395
- 5 day senior (65+) is \$290
- 6 day senior (65+) is \$330
