President's Message

February is nearly over and many of our Space Coast skiers and snowboarders have enjoyed trips to Heavenly at Lake Tahoe and Jackson Hole. The Big Sky group leaves next week and the Schweitzer Mountain entourage on March 9th. I look forward to hearing wonderful reports from all of these destinations!

It's not too early to start thinking about summer travel opportunities. Read on for exciting details about a New York City trip over the July 4th holiday and a Ladies Only Weekend at the Doral Spa in Miami. Make plans to attend the Spring Fling on Sunday, April 7<sup>th</sup>, at the Pineda Inn Bar and Grill in Rockledge. Have a wonderful March!

IN THE WORKS:

A BAVARIAN ADVENTURE SET FOR MARCH 2014

Our trip to Garmisch, Germany is already starting to take shape. This destination will appeal equally to skiers and sightseers. For skiers, there are two areas. The Classic area is close to town and easily accessible. The Zugspitze is a glacier and the highest point in Germany. For those who prefer to see the sights, your choices are plentiful. Castles, monasteries, a famous theater, a gorge, an Olympic ski jump, and painted houses will be options. For those who want to do both, we will have the toughest decisions of all!

If you have never been to Bavaria, it is truly full of everything you have seen in books and movies. The flavor is real in the architecture, the culture, and the people right down to their lederhosen, steins of beer and bratwurst.

For now, keep this destination in mind. As we move forward, all details will be presented. By the time you have a full picture, I'll be ready to take your deposit!

Carla Constantino, Trip Leader, calico@me.com

Our Bavarian feast starts with beer & pretzels!

Painted Houses are artwork in themselves
