## THE SNOWBIRD

July 2013

### President's Message

I hope you have visited our awesome new website, unveiled on July 4th, and noticed that the name of our club has changed to the Space Coast Ski & Travel Club. This change better reflects the purpose of our club which is to bring people together through all types of travel. We will continue to run exciting, fun-filled ski/snowboard trips, both domestic and European, while bringing some other travel opportunities to the club. For example, 43 of our members recently returned from the "trip of a lifetime" to South Africa. And 37 ladies were pampered to the max at the Trump National Doral in Miami just this past weekend.

The Board of Directors and Trip Leaders have been busy planning upcoming trips and events. Come find out more at our annual Extravaganza on September 14th at the Crowne Plaza Oceanfront. Please check the website for details and plan to attend. See old friends and make some new ones!

See you in September!

## Trip Reports - South Africa and Doral Spa!

**South Africa:** May 9th - 24th, 2013

"Back from Africa & Forever Changed" sums up this trip.....In May, 43 club members traveled to South Africa for an exciting journey - out at dawn and dusk each day, trippers enjoyed seeking wild animals and discovering much more.

The trip included going on safari at Kapama Private Game Reserve, a visit to Franschhoek wine country amidst farms with horses, and a visit to Victoria Falls, considered the "Greatest Falling Curtain of Water on this Planet."

**The Spa at Doral:** July 18th - July 21st

This month 37 club members enjoyed a wonderful, relaxing spa getaway in Miami. The only complaint heard from the ladies was that the weekend wasn't long enough! It was nice to see the camaraderie as old friends reunited and new ones introduced themselves.

The weather was mostly sunny so some chose to relax by the pool and cascading showers. In the spa building we experienced the luxury of pampering with massages, facials, de-stress aromatherapy wraps, manicures and pedicures, and reflexology appointments.

Doral even had some \$99 Spa Month Packages (such as 80 minute facials and massages) that some of us added on to our scheduled treatments! We relaxed in our white robes in the lounge area as we waited for our names to be called.
