THE SNOWBIRD

October 2013

President's Message

Autumn has arrived with a slight chill noticeable in the early morning air. It makes me long for the coolness of the mountains and a ski/snowboard vacation! We had a very successful kick-off Extravaganza with over 120 members and guests in attendance. Many spots on ski trips were sold and the Thailand trip sold out! You have told us where you want to go and we are listening!

Take a moment to read this newsletter and see what is still available for your skiing and travel pleasures. Come see and ski the world with us!
