### President's Message

Hello Space Coast Ski and Travel Club Members,

As we end a great ski season I hope that those of you participated in one of our ski trips had a wonderful week. Snow was plentiful out west with some resorts record-breaking snowfall. Conditions were very good for our trips and as usual our social activities were outstar

As you know, we are not just a Ski Club but a Ski and Club with emphasis on socializing. We are excited to see our first ever European River Cruise lead by Pam Kaercher out! They depart in May. Once again our ladies are in a fabulous Spa weekend getaway in July – invite your friends for a fun-filled weekend in Miami. In November we have a Club trip to Tanzania lead by Jeff Koss to observe great migration -- so you see we are not just organizing trips. Is there any interest in a surf trip? Let me know

Lastly, some of you know that Jeannie broke her wrist for our Club in Beaver Creek. The bones have healed and her external fixator has been removed. She is now working to overcome the severe stiffness caused by the external fixator and regain the use of her wrist and hand. Slowly but surely she will get there.

Cheers, Cal
