### President's Message

June started our new fiscal year and your Space Coast Ski and Travel Club Board is already working hard to bring you exciting trip offers for 2020, 2021, and beyond. Our goal is to offer ski and non-ski trips that capture your interest and entice you and your friends to travel with us. Traveling with Space Coast allows you to travel with a small group of friendly folks at a very reasonable price to fun and interesting destinations that are all unique from Florida. Jeannie and I just got back from a fabulous Greek Isles (cruise) and Italy trip lead by our Pam Kearcher, our treasurer. There were 21 of us traveling. The trip was extremely well planned and lead. We were able to explore, learn, sightsee, hangout, laugh and party with friends and do our own thing. It is very comfortable traveling with experienced trip leaders and dear friends.

With the addition of our Copper Mountain CO ski trip our 2020 ski trips are pretty much set. We continue to work on our non-ski trips and will have information out very soon (always view our website at

[www.spacecoastskiclub.com](http://www.spacecoastskiclub.com) for the latest information). We attended the Florida Ski Council (FSC) spring meeting last weekend and now know the 2021 FSC ski trips, Telluride CO (January 23 - 30, 2021), Mammoth CA (February 20 -27, 2021) and Chamonix France (March 2021). We think they are great ski trip locations but want to make sure you feel the same way and are interested in participating. To help us continue providing fun, exciting, and interesting ski and non-ski trips we welcome your suggestions and input. Simply contact me or any one of our Board members or trip leaders and let them know your trip suggestion. LET US KNOW WHERE YOU WANT TO GO!

Cheers, Cal Staubus  
President Space Coast Ski and Travel Club
