AUGUST 2022 NEWSLETTER

President's Message

We are in the heat of a Florida summer, but ski season isn't very far away! Start now or continue to get in shape to help prevent ski injuries. Nothing ruins a trip faster than to be hurt on the slopes and be forced to leave for home before the rest of the group.

Cal has said this in a previous newsletter, but I think it deserves repeating. Look at your driver's license and see if there is a star in the upper right corner. If not, your license is not REAL ID compliant. Beginning May 3, 2023, every traveler 18 years of age and older will need a REAL ID compliant driver's license, state ID or another acceptable form of ID to fly in the US. An acceptable form of ID is your passport, but do you really want to carry it on a ski trip?

TRAVEL TIP OF THE MONTH: "Become friends with people who aren't your age. Hang out with people whose first language isn't the same as yours. Get to know someone who doesn't come from your social class. This is how you see the world. This is how you grow."

Happy Travels, George
