## OCTOBER 2022 NEWSLETTER

### President's Message

As our travels continue on ski trips and international journeys, we should consider "Do I need Travel Insurance?". It comes down to: "WHAT IF something happens before or on the trip. How much can I stand to lose or spend?". There are different types of Travel Insurance: Medical/Evacuation coverage only; Cancellation coverage for an approved reason; Cancellation for Any Reason. You should decide what is your level of risk with the cost of the insurance.

Space Coast will not be running 2 FSC ski trips this season, Mammoth California (Feb 11-18, 2023) and Chamonix France (March 10-20, 2023). If you are interested in either trip, please go to another FSC club web site for availability. Our web site has links to the other FSC club sites.

TRAVEL TIP OF THE MONTH: Pack a spare set of clothes in your carryon. If your checked bag doesn't make it to your destination, you will have clean clothes to change into. A couple we were traveling with didn't get his bag for 2 days and her bag took 4 days to arrive! Neither of them had any spare clothes in their carryon.

Happy Travels, George
