FEBRUARY 2023 NEWSLETTER

President's Message

Ski season has arrived! Steamboat was a great ski week with new snow frequently. Crested Butte and Snowmass also have plenty of snow and are ready for our skiers. Please be careful on the slopes, we do not want any injuries.

If you would like to see what the club is planning for 2024 go to our Web Site. On the left side you will see the 'Upcoming Trips' column. The link 'Club Trips Planning for 2024' will list all the trips being planned for 2024. If you are interested in more information on a trip there are interest sign up links. Register for the trip you are interested in and information will be sent to you when it is available. Please remember that if you are on the interested list it does not mean you are on the trip. When a trip is available for registration it will be announced via this newsletter or an email. When it is open you will have to register as per the web site instructions. Some trips will fill very fast so please read your emails.

TRAVEL TIP OF THE MONTH: Take a picture on your phone of your important documents. Things like your passport, driver's license, Covid vaccination card, immunization information, TSA/global entry information, license plate (when you can't find your car in the lot and security asks for your plate number!) and insurance information. I place mine in an album called 'Important' so I can find them easily. I also have a phone contact named 'Charge Cards'. Under notes only I list the card name, last 4 digits of the card number, U.S. and International phone numbers to call. If your card is lost or stolen you have enough information to contact the card company quickly.

Happy Travels, George
