APRIL 2023 NEWSLETTER

President's Message

Spring is almost here and with it comes the club's Spring Fling! It is a time to come together and talk about the years trips, both past and future. If you plan on attending and haven't registered yet, please register so we can make the proper arrangements. It is also a great time to renew or start your membership for this coming year, so bring your checkbook!

Two new trips were added last month so review our upcoming trips. If you are interested in a trip, register on the interest page. By doing so you will be able to register for the trip when it is first made available. Please remember that being on the interested list does not guarantee you will be on the trip. Several trips currently have more people interested than there are slots for. Responding to emails from the club in a timely manner is still very important.

TRAVEL TIP OF THE MONTH: Be Patient! You'll be surprised how much better an experience you have when you just remember to be patient and understanding of the situation. Remember life is not what happens to you, but how you react to it! Remember patience, kindness and flexibility are the keys to a happy experience.

Happy Travels, George
