## JULY 2023 NEWSLETTER

## President's Message

It has been hot on the Space Coast; I hope everyone is staying cool.

There are still spaces available for Breckenridge, Mt. Bachelor and Solden, Austria if you haven't already signed up and feel the urge to plan a trip out of the heat. If skiing isn't on your list, we have openings for Explore Scandinavia, Spirit of Scotland and Tahiti South Pacific Cruise. Please contact the appropriate trip leader if interested.

The dates have been announced for the FSC non-ski trip to South America, October 10 – 24, 2024. Unfortunately, those dates conflict with the club's Tahiti trip and with our trip leaders so Space Coast will not be participating as a club. For those interested, I have spoken to Orlando, they are going and will be happy to have you join their group.

TRAVEL TIP OF THE MONTH: Have you ever arrived at your location and your bags have not? While you can't always control when your luggage arrives, you can at least take steps to minimize the stress when your bag does not. Make an itemized list of everything in your checked luggage and carry it in your carry-on bag. If your luggage doesn't arrive when you do, you can quickly reconstruct the information for the airline and insurance company. You can also take a photo of your checked bags and contents to help you remember the contents and possible help in a non-English speaking country.

Happy Travels, George
