OCTOBER 2023 NEWSLETTER

President's Message

Ski season is fast approaching, Breckenridge is less than 4 months away! If you haven't already started, now is the time to get those legs in shape to help prevent injuries.

Space is still available for several of our trips in 2024 plus we are adding a Whales, Wine, and Wide-Open Spaces tour. Check out the newsletter or web site for details on this and all our trips.

The launch of the European Travel Information and Authorization System (ETIAS) has been pushed back from mid-2024 to roughly May 2025. We have one more year without needing a Visa for the EU.

TRAVEL TIP Of THE MONTH: Try to plan for the unexpected on a trip. I carry both duct tape and super glue whenever I travel. Super glue has fixed sunglasses (still working after 3 years!) and shoes. Duct tape has gotten suitcases home in one piece and fixed shoes on a hike.

Happy Travels, George
