## NOVEMBER 2023 NEWSLETTER

## President's Message

This coming spring will be election time again. As we are in need of board members and trip leaders, now would be a great time for those interested to do some shadowing to see if this is for you. Please contact me so we can arrange to show you the ropes.

Our ski trips will be ending registration soon so time to sign up before it is too late. As with all our club trips, it is fun to travel with old and so to be new friends.

Registration is now open for our annual holiday party to be held December 10. This is a members only event limited to 100 guests. Details on the event page.

TRAVEL TIP OF THE MONTH: This really isn't a tip but an opinion. I love travelling to learn about other cultures, but don't forget that the people we meet are also learning about us. Your country, culture and your way of life. So, try not to spend the entire time moaning about the bad things back home, but emphasize the positive things we have to share.

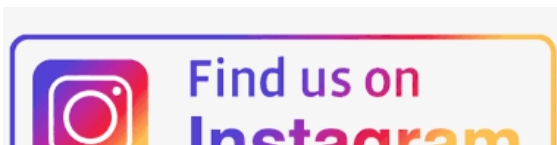

Happy Travels, George
